

BIG CIVIC PARADE

Names of Firms Who Have Agreed to Furnish Floats.

TWELVE FAIRY FLOATS

To be Bought of St. Joe For Carnival Night.

BIG CIVIC PARADE—B. H. C. by
Last night a committee consisting of Chas. G. Cohn, J. C. Casey and T. J. Franks left for St. Joe, Mo., to buy twelve floats built at a cost of \$1,000 and used in the parade of the St. Joe jubilee. These will be used for the flower parade and on carnival night. Everything is taking shape rapidly. Secretary Lockwood has a big sign across the yard at the Commercial club, "Secretary's Office," and here the great struggle for privileges and the work of preparation is going on. Come from enriched, well nourished soil, giving the result of perfect growth. The same result can be obtained by humanity in general, if they look after the blood, the life of the whole system.

Hood's Sarsaparilla is the one specific remedy for this, as it transforms poor blood into perfect blood—from which follows the greatest of blessings, good health.

MRS. G. V. WHELAN

Calls a Meeting of Those Interested in Flower Parade.

Mrs. G. V. Whelan, who is to have charge of the decorations for the flower parade, wishes to meet all those who contemplate decorating carriages or wheels for the parade, or those who are in any way interested, at music hall in the Sedgwick block at 220 Monday afternoon. Mrs. Whelan is stopping at Miss Cook's, 157 North Topoka, where she can be found at any time.

MR. WALLACE SUES

Asks to be Divorced From His Wife who is in Illinois.

W. J. Wallace, buyer for the Dold Packing company, commenced divorce proceedings in the district court yesterday against his wife. He alleges that Mrs. Wallace is intimate with other men. Mrs. Wallace is in Illinois in the millinery business and it is alleged that she will not keep house for him in a companionable way, although he has always provided well for her.

KORNSTETT SECRETED IN JAIL

Sent Back Here and Held in a Mysterious Manner.

It was reported yesterday that Johnnie Kornstett, the young murderer from Harper county, was returned to the Sedgwick county jail and is being secretly held here for a purpose, but just what that purpose is no one has been able to learn. It is thought that it is because mob violence was again threatened Kornstett in case Judge Gillett allowed the boy to withdraw his plea of guilty and put the county to the expense of a costly trial. It is understood that Kornstett has been secreted in the jail here for a week, and the news of his being here got out yesterday when one of his attorneys told about it.

OBJECTED TO HIS COMPANY

Lee, the Free Lover, Kicks on Riding Tied to Another Coy.

Prey Van Dura went up to the federal penitentiary with Deputy Marshal Trigg Wednesday night when West, the man who robbed the Cherry postoffice, and Lee, the Ottawa free lover, with other prisoners, were taken. West and Lee were handcuffed together. Lee objected, "Can't you put me in better company than this?" he said as the iron bars were fastened on him.

CAN COLLECT THE CLAIM

Mrs. Benhard Confident of Getting Her Money.

Mrs. Benhard's discovery of the \$2000 amount check was mentioned in yesterday's Eagle, believes she will be able to collect the original amount and probably the interest. The total amount of interest for thirty-five years and eight months would amount to \$34.60 at the legal rate in Tennessee. Messrs. Huttman and Harvey are also confident that the claim can be collected.

FIVE ROUND BOUT

Between Corbett and Phelps at Muselman Bros' Last Night.

J. C. Corbett, cousin of the famous champion pugilist, James Corbett, and W. H. Phelps, gave a free exhibition at Muselman Bros' annex last night at boxing and club swinging. At the wind-up Corbett and Phelps had a five-round bout that was exciting and full of strong work. Better than usual for free exhibitions. A big crowd attended. They will probably give other exhibitions.

NEW NAME FOR QUEEN

Miss Mamie Mahaney a New Leader.

HAS TWO HUNDRED VOTES

Miss Florence Kelley Jumps to 194 Votes.

The vote for queen of the flower parade given this morning shows some surprises just as was mentioned in the Eagle. Miss Mamie Mahaney, a new candidate, is sprung, and leads the list with 200 votes. Miss Florence Kelly, whose vote has hitherto been running along at about ten of fifteen votes, jumps to second place with 194 votes. Miss Reed, who has been in the lead, has 185 votes, an increase of two over her last vote, and is a tie with Miss Joseph, who has been a close second since she was nominated. Miss Moseleine Daisy, Miss Gertrude Jackson and Miss Winifred Woolard have withdrawn from the race.

Miss Mahaney has been for the past five years a valued and trusted amanuensis of the Dold Packing company. She is now in the service of private secretary and special stenographer to Chief Clerk Harrison of the Dold company. The entire north end interests are backing Miss Mahaney. The Union Stock Yards, the Stock Exchange, the Stock Yards Bank, the Union Live Stock Commission Co., the Paugh Commission Co., the Wichita Live Stock Commission Co., and the Healy Commission Co., are all listed in the ranks who will support the candidate of the north side. She is not at all a distinctly Dold favorite, as all her many friends throughout the city have repeatedly suggested her candidacy.

Miss Reed is well known and popular and has a strong support, the members of which will be named at the next count or within a week. She has led up till yesterday. Miss Joseph was formerly in the employ of the Dold people, but is now in the McCormick office in the Sedgwick block. Her name was sprung at the time of the close of the Dreyfus trial and she has been a close second to Miss Reed all the way from the start. She is popular and will have a heavy support.

Miss Florence Kelly, who jumped from 15 votes to second place at 194 votes, is the daughter of Mr. Kelly, the blacksmith. She is handsome and popular.

The candidates would all make worthy queens. It is a fair race. The candidates are all handsome and queenly. Wichita will delight to honor the winner.

Following is the vote:

Miss Mamie Mahaney	200
Miss Florence Kelly	194
Miss Sadie Joseph	185
Miss Florence Reed	185
Miss Etta Remer	34
Miss Lucy Thomas	21
Miss Minnie Drake	11
Miss Bernice Russell	5
Miss Lillian Lewis	10
Mrs. Minnie Cooley	5
Mrs. Chas. Brooks	2
Mrs. Fred Bentley	1

FOOTBALL GROUND

At Friends University Will be Fenced in.

The Friends University boys expect to have a team this year which will be far superior in many respects to the one of last year. The practice work already done shows that there is plenty of material for the making of a very strong team. This, coupled with the addition of new players expected and the systematic coaching of Prof. Williams, insures a strong team. They are figuring on building a fence around the northwest quarter of the campus large enough for the gridiron and diamond. Here will probably be played all the games played by the league now being formed and which is to include Emporia college, Cooper college of Sterling, Kingfisher college, Fairmount college and Friends university. The Friends university boys are open for any game from outsiders, however.

FAKIR HAS ARRIVED

What Became of G. A. R. Phosphoric Scheme.

The fakir has at last come to live with us. If the people who patronized a G. A. R. pamphlet scheme this week had taken the trouble to make an observation of what became of them, they could have seen them strewn all through the grounds. Just as well have thrown the money into the sewer, so far as any benefit was derived from it. And still, for the next week and on through the Street Fair week fakirs and schemers of all kinds imaginable will try, and many of them will succeed, in inducing our merchants, many of them, to give them money.

HACK TEAM RUNAWAY

Callahan's Big Slightly Injured in a Wild Run.

One of the Callahan hack teams driven by Callahan ran away yesterday and created a scene as they flew down Douglas avenue. The team was standing in front of the Boston Store, when a tire came loose and dropped against one of the horse's heels. Immediately they began to run. In front of Mrs. Weinschenk's grocery store the hack collided with another rig, breaking the tongue loose from the hack. Then the horses did a Phish-gentry run down Douglas avenue but avoided any further damage.

WILL BUY PIPE ORGAN

Choir at Reformed Church at Work on a Plan.

The choir of the Reformed church have undertaken to buy a fine pipe organ independently of the church organization and are out soliciting subscriptions on the plan. A great part of the money has been raised already.

The colored people of the city are again offended by the exhibition on the street of a reproduction of a horrible scene in Texas. They have a right to be offended, at the shocking exhibition, and it ought to be suppressed.

DOES COFFEE AGREE WITH YOU?

If not, drink Grain-O—made from pure grains. A lady writes: "The first time I made Grain-O I did not like it, but after using it for one week nothing would induce me to go back to coffee. The children like and feed the system. The children can drink it freely with great benefit. It is the strongest tonic I have ever used. Get a package today from your grocer, follow the directions in making it and you will have a delicious and healthful table beverage for old and young. Use and See."
